

Sabetha's City Wide "Clean-Up"

April 24, 2019

Free to all residents of Sabetha!

Volunteers will be around to collect non-hazardous items that the trash collectors normally don't take. (We ask that these items be placed near the curb by 8:00 am.) Set aside anything containing metal/batteries.

For large items like appliances and large furniture....please call the City Dispatch @ 284-2158 to schedule a pick up.

We will not take motors, tires, noxious waste, paint & oil cans, yard waste, construction material and everyday trash.

Provide by the City of Sabetha, Chamber of Commerce, SHS Seniors, and many other Businesses & Volunteers that donated their time & supplies!

Thank You for making Sabetha an even nicer place to live!
